Quality Fence  
13115 Wetmore  
San Antonio, TX 78247

Dear Craig,

Thank you so much for all your time and effort on the tire swing. Camille and I and the kids greatly appreciate you and all your guys work on this project. We are all really enjoying it. I hoped you tried it - if not you need to come by. Todd and I are going to do the weight test to check the structural integrity which should be entertaining.

Thank you.

Sincerely,

---

Lloyd A. Denton, Jr.
