Rhonda,

After you receive the check from Gladys please let me know what my balance is. With the deposit I previously gave Steve I believe my balance should be \$1,625.51. But send me my balance regardless and let me know where I should send the payment unless Steve will be coming by to pick it up.

I can't thank you enough for all the trouble you have gone through to help us with this matter. From start to finish your company has been top notch all the way. Thank you so much,
Jose Rivas
