**RE: Letter of Appreciation**

Dear Craig,

Over the past 10 years, it has been my pleasure to work with the fantastic team at Quality Fence & Welding. There aren't many fence companies out there who provide high quality products at competitive prices. Quality Fence's work is always completed in a timely fashion and within budget. I know that when Browning Construction works with your company, we can rely on a strong team to get the job done, no matter the size of the project. Your staff really does live up to your company's "100% Customer Satisfaction Guarantee" and I commend you for that. Our customers continuously provide superb feedback on the work Quality Fence has completed.

Thank you for your efforts. We appreciate the relationship that we have with Quality Fence & Welding, and we look forward to working your company again in the near future.

Sincerely,

Lee Herbst  
Senior Project Manager
