To Whom It May Concern,

Over the last 20 plus years it has been my pleasure to work on many projects with the good folks at Quality Fence & Welding. Their steadfast dedication to supplying high quality products at competitive prices is the primary reason we continue use them for our projects and recommend them to others every chance we get.

When Quality Fence & Welding is involved in a task, I know the job will get done on schedule and within budget.

We look forward to a long and productive relationship between Troy M. Jessee Construction, L. P. and Quality Fence & Welding in the years to come.

Thanks for all the jobs well done.

Sincerely,

Ron Nolte  
Project Manager
