Mr. Craig Noto  
S. A. Quality Fence Co., Inc.  
14075 Dublin Square  
San Antonio, Texas 78217

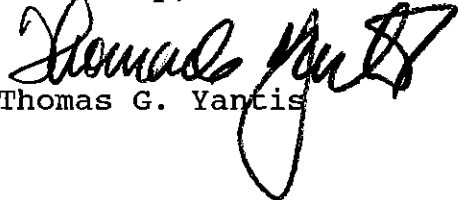

Dear Craig,

I would like to extend my thorough appreciation of the fine job done by S.A. Quality Fence at De Zavala Estates. The rock columns and wrought iron are definitely an added attraction to our Estate.

I would like to commend the crew on their fine workmanship and professional behavior in the handling of problems in an expedient manner which enabled the project to run smoothly and be completed in a timely manner. I intend to negotiate solely with your firm on all of our future projects as I was treated very fairly and professionally by your company.

I would again like to thank you, and please feel free to add my name to your list of references.

Sincerely,

  
Thomas G. Yantis
