Quality Fence  
Craig Noto

This letter is long over due. Over The past four years, you have supported McAllister Park Little League with donations, fencing, and fence repairs. We cannot operate this Little League without supporters like yourself.

You and your company needs to be commended for rushing to our aid on fence replacement and repairs in a very timely fashion. There has been occasions that we would have cancelled games had you not sent crews out to repair unsafe conditions.

We hope that you will continue to support us.
