Dear Mr. Noto:

I would like to thank you for your participation in the La Cantera Golf Course project. Your responsiveness in pricing aided the Owner in the ultimate decisions of some seven different styles of fencing. Despite the size of the project and the varied working conditions, your timely response in installation made for a successful completion of the project.

I have, and will continue, to recommend your company to anyone who requires a quality fencing project completed quickly and economically. I look forward to working with you in the future.

Sincerely,

Richard E. Nitschke
